Let's stop the proposed asphalt plant & gravel pit!

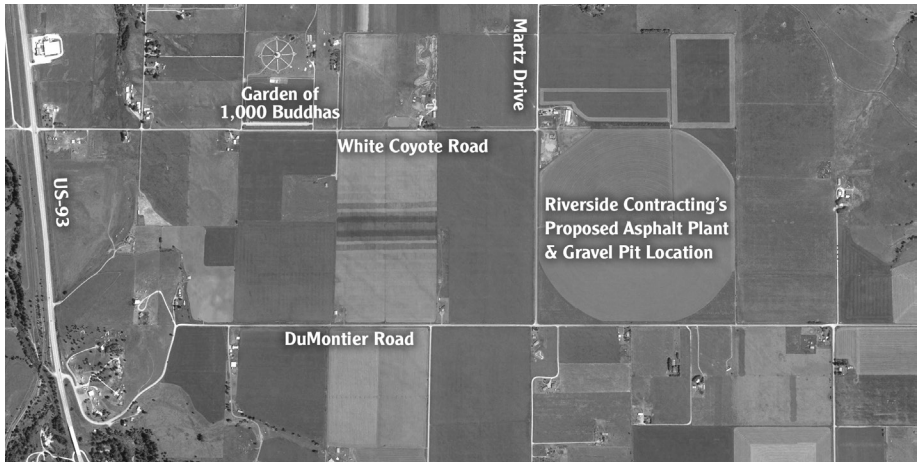
We don't need pollution in the Jocko Valley. Our air, water, wildlife, & wells are at risk!

Together we can win!

What can I do?

- Become informed about the threats from the asphalt plant & gravel pit
- Send comments to Montana DEQ
- Donate to help pay for our legal expenses. Our legal team is working hard to help protect **ALL** our rights
- Share this information
- Visit our website to donate, find more info, learn how to comment, and join our news list!



Friends of the Jocko is a new nonprofit dedicated to bringing the community together to defeat industrial development in the Jocko Valley. Our goals are to work with our friends, families and neighbors to work towards protecting our Constitutionally guaranteed rights to a clean and healthful environment and public participation.
